

TEACHER WORKSHEET

Net Investigators

On the Childnet Awards CD-ROM, or the Childnet Awards website, you will find details of all the winners in this year's Cable & Wireless Childnet awards programme. They fall into 4 categories:

Individual School Not-for-profit organizations Government.

As well as details of the award winning sites and what the judges liked about them you can actually visit the sites – they are captured on the CD for you although you can link to them directly by using the website addresses below.

Can you find the following answers or pieces of information on the Web?
